June – July 2021 (except West Fork Trail project listed below)

Because of the high temperatures, extreme fire danger, dry lightening and thunderstorms, we will be doing small group trail projects in the Gila Wilderness and Gila National Forest. These projects will not be advertised.

If you are flexible with your dates and like doing trail work in the heat, feel free to contact Melissa at groundworktrails@gmail.com to get more information about the trail projects.

Otherwise, tune in about the trails we open during these months on Gila BCH facebook or Gila Trails Info facebook pages or check out the Gila Trails Info - Trails Cleared Map.
